43 - Independent

710 - Total

RFC Editor

Changes made as requested

- Included errata type (Editorial/Technical) in the subject line of “Errata Reported” messages.
- Made errata available with (and searchable by) unique ID
- Included the unique ID in the URL in each “Errata Reported” message
- Changed links to RFCs from ftp to http.
- For the secure verification pages, attained a signed certificate from a CA.
